Complaint Regarding: On 1-7-2021 I had boarded up my cell to use the rest room. The officer working did a round. This was the first round prior to me boarding my cell up. He said take the board down I said no. He calls for a white shirt. He comes they open my cell and starts yelling and cursing at me. I tell him respectfully to talk to me with respect. He I am him he waves the big mace can at me tells me to shut the fuck up and I am in a position and keep the board up out my window while he is talking I wrap my self in a blanket go to the back of my cell on the panic side. He sprays me I tried to run had no where to go I slip on the mace hit my head. Then he stated "Cuff up". Then as I am trying to get to the door I get sprayed a second time I don't know who by. I get to the door finally. They pull my blanket through the bars and cuffs me... Excessive force was used on me and inappropriate supervision against this inmate. I am willing to take a in house lie detector to these facts and the lack of real reason to use any force on me. The officers involved are Sgt Jason Taylor and CO Borders. The DVR can support most these facts I am fearing for my safety and life.

Lower Section to be completed by the supervisor of the staff person or department most responsible for complaint.

I have Requested twice for another NOG so I could be more specific like it says but never got one so I'm going to do what I can with this one. I had verbally & visually witness this entire incident. After hearing this I asked for a Informal he stated "Folk that write up I'll come in there and hang your ass" Crabtree keyed the second door as I to enter but he immediately closed the door and walked away but he did not lock it. at this time I began to fear for my life knowing my door was still unlocked and any officer could just come in my cell and cause harm to me. I then asked my Neighbor what should I do in this situation. My Neighbor told me to remain calm until 2nd shift to let the then officers know about my door being open and I need Informals and Mites. 2nd shift then comes in and I do exactly that (an can be seen on camera doing so) but was immediately ignored and Refused any assistance (which can be seen as well on camera). I then stepped out of my 2nd door & knocked on the first door of my cell to better receive the officers attention. One 2nd shift officer called the Lieutenant & when the Lieutenant approached the first door to my cell O/C Spray in hand ("can be seen on camera") I immediately walked back into my cell straight to the back of my cell and put my hands on the wall to show no threat (I'ma finish this as instructed by Mrs. Mallman on paper)

ON 1-15-22 DRC Policy 64-DCM-01 was violated an my constitutional right to be free from cruel an unusual punishment was violated as well. I was escorted by two officers from K-1-61 to J-2 stripout cage. No white shirt was present at my cell when I cuffed up an was pulled out of my cell or when I was escorted down the hall. While I was escorted I was tortured an tormented me the entire way to J-2 stripout cage. They slammed me in handcuffs an shackles several times bruising my knee cap. they bent an twisted my thumb an wrist to the point I could not feel them. This is on DVR. My itch as well as my back. I did not get my pack up I went from the 15th to the 27th with no blankets or sheets on the 27th I had blanket exchange on it can be seen on DVR. That day gave me two blankets due to the fact. I did not receive medical treatment that day it can be seen on DVR no nurse was at the stripout cage to record my sever injuries I still suffer from today 2-13-22 I stated for my use of force statement "Force was used on me an I was trying to comply!" This is my 3rd use of force where the result ended in injury I keep making it known I fear for my safety at this prison no one listens an no one helps. I see on this sheet the inspector wrote RIB on here I'm not aware of no RIB hearing or no ticket

Violation of 5120-09-04 inappropriate supervision, Retaliation
Violation of my 8th amendment constitutional right to be free from
Cruel & unusual Punishment. I have been in J2 slammer side
for weeks and still have weeks to go. (I did 10 days prior to going

14 days in U-1-20 they were bring back to J2 slammer to do more time
I did over 30 days solitary confinement.) We are given one roll of toilet paper
and it has to last one week and when we run out we can't ask for more because there
never is any more. They never do any clothes wash or let a change are on cages
and we are offer back in J2 for weeks (Ward of the Police are followed to prevent
any of this on the AR's) I had not been able to call my family in J2 we are not let on to
the wall phone no matter how long we are back here. (Again follow up AR's are not
followed.) These cell walls are extremely unsanitary walls stained with poop, pee, mucus,
also wall paint peeling, rust as well as the walls are stained on the walls and the toilet.
We are not given cleaning supplies to clean our cells or a toilet bowl brush to clean are
toilet so are toilets are caked up around the walls of are toilets with poop and scum and what ever
else. (Again don't follow Policies or AR's) We are Per Policy clean once a week that is not
enough so there is a huge infestation with roaches, ants rats as well as other insects
due to lack of consistency of cleaning supplies and cleaning. We are behind two doors
on slammer side with no good circulation in the cell due to the double doors and the
heat is turned all the way up so due to the poor circulation in are cells as well as
the two doors are cells are extremely sweet Boxes with is soft Torcher and could
be fixed with proper circulation. I am finishing this Grievance on
Paper due to no room and one Grievance form is only given at a time

Medical Neglect on 1-21-22 I was escorted to medical to see Dr Conley about my medical issues that still exist to this very day. These following injuries happen on 1-15-22 my injuries was not recorded till 1-20-22. My right Thumb on the left side has no feeling. My right wrist on the left side has deep cut and I have a shooting pain that travels up my arm when my wrist or Thumb is bent a Pacific blue. The exact same thing applies to my left wrist on Thumb on my right side. My lower back is very painful my shoulder blades and lower back is in extreme pain from the use of force used on me 1-15-22. I went to the Dr to explain to him I need X-rays an MRIs to find out the extent of the damage with Dr Conley refused to order to have done. My right lower knee is black, blue, an yellow. This Dr is helping keep no record of what is going on. I'm still having problems to this very day 2-13-22 on the areas I don't spoke on. On my informal "Robert Taheri" Mr Goodman said a medical report was completed on 1-15-22 that is false things are being cover up at this prison. This Prison operates on the "Buddy system" everyone covers each others back. This Dr Conley also violated DRC Policy 64-DCIT-01 what would solve my complaint is X-rays an MRIs of all my Problem areas an when to found out problems exist in these areas Dr Conley is held accountable for his poor Practices an cruel an unusual Punishment for having to endure my injuries Pains with no proper documentation or Relief.

Appeal to the Chief Inspector

Name: <u>Antonio Johnson</u>	Number: <u>640-044</u>
Institution: <u>SOCE</u>	Grievance No. <u>2-22-17</u>
	Date: <u>2-26-22</u>

INSTRUCTIONS: Complete Appeal form. Attach a copy of the Notification of Grievance, Disposition of Grievance, and Supplemental Disposition of Grievance and/or informal complaint, if used. Submit to: CHIEF INSPECTOR, 1050 Freeway Dr. North; Columbus, Ohio; 43229.

I am appealing the decision of the Managing Officer and/or the Inspector of Institutional Services concerning my Grievance, for the following reason(s):

On 1-15-22 DRC Policy 64-DCM-01 was violated on my constitutional right to be free from cruel and unusual punishment was violated as well. I was escorted by two officers from K-161 to J2 stripout cage. No white shirt was present at my cell when I pulled up and was forced out of my cell or when I was escorted down the hall. While I was escorted I was tortured and tormented me the entire way to J2 stripout cage. They slammed me in handcuffs and shackles several times bruising my knee cap, they bent and twisted my thumb and wrist to the point I could not feel them. This is on DVR. My neck as well as my back. I did not get my pack up I went from the 15th to the 27th with no blankets or sheets. On the 27th I had blanket exchanged and I was seen on DVR on the officer working that day gave me two blankets. Due to the fact I did not receive medical treatment that day it can be seen on DVR no nurse was at the stripout cage to record my severe injuries. I still suffer from today 2-13-22. I stated for my use of force statement "Force was used on me and I was trying to comply." This is my 3rd use of force where the result ended in injury. I keep making it known I fear for my safety at this prison and I need help.

Complaint Regarding: **Page 2 continue → I then stepped out of the 2nd Door & knocked on the first door of my cell to better receive the officers attention. One 2nd shift officer called the Lieutenant & when the Lieutenant approached the first door to my cell with O/c spray in hand I immediately walked back into my cell straight to the back of my cell and put my hands on the wall. The Lieutenant then with no Verball commands & no valid reason entered into the first Door and immediately placed the Tube of the O/c spray into the corner of my Door & sprayed the entire can into my cell. This caused me to lose my breath for a period of time in which I began to lose Consious. I then fell & hit my Head ultimately causing severe Neck & Back Pain. I then numerous time screamed out for Medical assistance. 20 minutes pass with no help. The Lieutenant came back to my cell told me to get off the floor & come cuff up I comply but struggled to get on my feet. I was then cuffed & escorted out of the cell and placed into the stripout cage. The nurse came and I told him about the Pain in my Neck & back but he refused me any proper Medical assistance. I am requesting that officer Crabtree, The Lieutenant & Medical staff be held accountable for my injuries, emotional distress & mental anguish & face an employee Disciplinary Hearing for Violating institutional Policies & my constitutional rights.**

Complaint Regarding: Violation of 5120-9-04 inappropriate supervision, misuse of force, violation of my 8th amendment constitutional right to be free from cruel & unusual punishment & medical neglect. On Oct-24-2021 lunch time while I inmate Johnson 640044 was in unit D-1 double door cell 20 on Hunger Strike witness officer Crabtree open the first door to my cell and ask if I wanted to eat I told officer Crabtree No. In which officer Crabtree replied "You niggers are gonna stop refusing these Trays" referring to me and my neighbor Weaver 641-925 D-1 cell 19 who was also on Hunger Strike. I had verbally & visually witness this entire incident. After hearing that racial remark toward me and my neighbor I then asked officer Crabtree for a formal complaint and Kites so I can write him up officer Crabtree then stated "Fuck that write up I'll come in there and hang your Ass" officer Crabtree then opened the 2nd door to my cell as if to make an attempt to come in and hang me, but he immediately closed the door and walked away but he did not lock it. At this time I began to fear for my life knowing my door was still unlocked and any officer could just come in my cell and cause harm to me. I then asked my neighbor what should I do in this situation. My neighbor told me to remain calm until 2nd shift to let the other officers know about my door being open and I need formals and Kites. 2nd shift then comes in and I do exactly that but was immediately ignored and refused any assistance. End.
